Under section 3(2) of the Revenue Recovery Act, 1890 the certificate issued by the Collector of Kutch is conclusive proof of the matter stated therein and the Collector of Surat has to proceed to recover the amount stated therein as if it were an arrear of land revenue which had occured in his own district. It is not open for the Collector of Surar to go behind the certificate and find out whether the amount is really recoverable as an arrear of land revenue or not. The Collector of Surat should effect the recovery of Rs. 626/- as an arrear of land revenue. The person against whom such proceedings are taken, may, if aggrieved, institute a suit under section 4 of the Act.
